Heard.

I have gone through the impugned order dated 5.9.2006 and I find that there is no flagrant miscarriage of justice. It has been categorically mentioned in this order that the rights have been determined by the Civil Court under a decree. Thus the Civil Court has already given finding on the rights of the parties to the suit and the Executing Court has also complied with the decree and in view of this, there is nothing to be set right and in the final analysis the petition is dismissed.
